

Course Delivery Formats

ONLINE

NON-SCHEDULED MEETING TIMES (ASYNCHRONOUS)

An online course, through Desire to Learn (D2L)/Brightspace, that does not have required virtual meetings at set times. Students do not need to log into their courses at the same time each week, but may access their courses at any time in order to meet course deadlines as laid out in the syllabus. Instructor may require proctored testing.

SCHEDULED MEETING TIMES (SYNCRHONOUS)

An online course, through Desire to Learn (D2L)/Brightspace, that has regularly scheduled virtual meetings. Students need to log into their courses at the same time each week via a conferencing tool such as Zoom or Google Meet in addition to accessing their course materials at any time. Instructor may require proctored testing.

HYBRID

Classes contain an online portion through Desire to Learn (D2L)/Brightspace and may include virtual meetings via a conferencing tool such as Zoom or Google Meet. The online portion may be asynchronous or synchronous. Instructor may require proctored testing.

The laboratory component of the course is on campus at scheduled meeting times.

The number of students allowed in a laboratory or classroom space at a time may be limited to maintain social distancing, and face masks will be required.

If COVID-19 conditions require classes to be moved online, classes may shift to asynchronous or synchronous formats.

FACE-TO-FACE

Classes are on campus at scheduled meeting times. The online learning platform, Desire to Learn (D2L)/Brightspace, will be used to enhance the learning experience with supporting course materials and videos.

Social distancing and face masks will be required in the classroom.

If COVID-19 conditions require classes to be moved online, classes may shift to asynchronous or synchronous formats.
