Portions of the scope of work for the College’s project, such as providing and installing the turf field, require sufficient experience and expertise with the acquisition and installation of the turf field as detailed in the Project Manual. The following is a partial list of specialty contractors which have experience with the turf field scope for the Project. The College is not warranting or requiring any bidder to use any contractor from this list. However, during the scope review, the contractor’s or its subcontractor’s experience in providing and installing turf fields will be examined to determine if a bidder is responsive and responsible. This is not an all-inclusive list but is a sample of contractors with experience in field turf installation:

Company Name
Bush Turf
Lohmann Sports Fields
Sports Fields Inc
Molitor Athletic Fields
Midwest Athletic Fields

Please find below the list of submitted questions from Vendors and our response:

1. What material will the fences need to be?
Answer: Galvanized

All other specifications, terms, and conditions noted in the original bid documents remain in effect and unchanged.

Please sign and return this addendum with your bid.
